## **REPORT OF PLACEMENT CELL**

### **2022-2023**

The placement cell of institution had an active role in connecting the student profile with institution requirements by various such as inviting the school heads to conduct interviews to select their required teaching staff.

By circulating the notifications and advertisement with regard to teacher placement among the students in a very effective way in the student placement.

### **2021-2022**

The placement cell of the institution has made a good service in assisting the student in getting placed at local private and government school. The cell organized special classes on coaching for Teachers Eligibility Test, Central Teacher Eligibility Test

A regular bulletin board was made for the purpose of notification of teacher placement. Students are made to follow bulletin board

### **2020-2021**

The outgoing students of the institution were given with a workshop of mock interview and recruiting system. Where teaching staff of the institution acted as recruiters and students were made to attend both written and oral. After this activity the selected students were sent to some reputed institution-in and around the schools situated. Few institutions recruited our students and gave them offering letters to join as teachers after completion of the course.

### **2019-2020**

The placement cell of the institution invited the few of the school heads and management to conduct orientation among the outgoing students of the institution about how to face interview and get placed. The students were exposed to build self-confidence in procuring a job and achieve job satisfaction. Later an interview was conducted to the students with written and Oral mode. The best students who scored satisfactorily in the interview were selected for further stages of interview.
